HuntFishCook Endorsed Outfitters and Guides

Scott & Donny Mac are fortunate to have the opportunity to travel the country in search of great hunting and fishing. They cross paths with many professional guides and outfitters. If you are hunting for a dependable, reliable guide service, whether it be fishing or hunting, here are some of our favorites.

Captain Chad's Fishing Adventures & Louisiana Coast

We all know that the Gulf Coast took a beating from Hurricane Katrina. Fortunately, Louisiana's inland fishing has rebounded with record catches and less fishing pressure has created an unbelievable opportunity for fishermen today. Captain Chad Breland knows the inland waters surrounding Venice LA better than anyone. He catches big fish in big numbers all over the Mississippi Delta and, fortunately, HuntFishCook has been able to tag along on some of our most memorable moments on the water. Capt. Chad is a professional guide who will keep you entertained with his quick wit and knowledge of fishing the area. Redfish, Speckled Trout, Flounder and a great day of laughs on the water.

Floridays Fishing, Inc. East Central Florida - Mosquito Lagoon - New Smyrna Beach, FL

Donny fished with Cpt. Mike Hakala several years ago. Mike put us on school after school of red fish all day long. It's quite a sight to be fighting big, fat reds while looking at the Space Shuttle sitting on the launch pad.
